Planning and delivering a wedding or special party is the work of many.

Producing the most beautiful, personal 'feels so right' wedding or special party is the work of many, working as one.

Let us introduce you to our tried and trusted team of suppliers who share Broadoaks' view that only absolutely terrific will do - and who know the house and grounds well.

This means they come up with some nice little flourishes that you may not have considered - ideas that come from understanding what works well at Broadoaks.

Skilled, careful, proper attention to detail and fun to work with - you can't ask for more.

They also have all of the requisite paperwork required to work with us which is one less thing for the to-do list.

So have a browse and gather some inspiration. They're all really rather excellent!

We welcome your other chosen suppliers of course, and are delighted to work with them. Just ask them to check they have everything we ask for in our contract. We'll need some important bits of paper; insurances and PAT certificates for electrical equipment for example, but all good suppliers will have these in hand.

If you need further information, or can't see a supplier for what you need, simply call our reception on **015394 45566**.

Are you looking for a fun and unique way to keep the kids happy and entertained during your big day? The Enchanted Tent Company's Wedding Kids Corners, with teepees, small tables, comfy rugs, cushions and throws, toys and books, could be the perfect solution. Packages start with just one teepee, with reading books, colouring books, crayons and teddies included. You can be sure they won't get bored of playing in their adult-free zone! Tailor-made packages to suit your needs are also available.

Because we understand how stressful entertaining and monitoring children at a wedding can be, we can also provide a childminding service for your wedding day for an additional fee. That way, all the adults can relax and enjoy the day knowing the little ones are in safe hands. Our fully qualified childminders are CRB checked and first-aid trained.

We look forward to hearing from you!

Wedding Shoots are a great way to get everyone talking, whether the day before the big day to kick start the celebrations, day of the wedding to entertain guests before or during the wedding, or the day after to finish with a bang. With friends new and old, from two sides it's a great way to get the conversations flowing and for your wedding to remain in your guests' memories for a very long time. Check out our reviews on Trip Advisor to see some real customer feedback on our sessions.

E: fionainkendal@gmail.com
W: www.fionamusicinthelakes.com

I am so lucky to live in The Lakes and to play music for hundreds of couples on their special day, many at Broadoaks. I specialise in boutique weddings, those that require a special sparkle to involve and unite everyone, from 2 to 92, in making once in a lifetime memories. I am just a girl with a guitar (so if you want backing tracks, I am not for you) and my live repertoire is extensive, with over a thousand songs covering every genre from Eva to Metallica.

Each wedding is so very different, with the couple's personal music choices and preferences to make the day perfect, whether for the ceremony, drinks reception, wedding breakfast or evening reception.

I aim to bring a warmth and happiness to the day which my couples and their families and friends will remember forever. Many have remained friends and still come to find me at my events in The Lakes. That is the biggest compliment and recommendation I can offer. I'd love you to become part of our Broadoaks family. You can listen to my music on my Facebook page - Fiona Music In The Lakes.
