Broad Oaks Country House is delighted to work in partnership with Laurent-Perrier

The House of Laurent-Perrier was founded in 1812 by André Michel Pierlot and took the name Vve Laurent-Perrier when Mathilde Emilie Perrier, the widow of Eugène Laurent, combined the two-family names after she decided to expand the business.

With its composition marked by a high percentage of chardonnay, Laurent-Perrier Brut is the signature House style, offering freshness, lightness and elegance, consistently showcasing the essential qualities sought by Laurent-Perrier.

50% Chardonnay (a particularly high proportion), 35% Pinot Noir, 15% Pinot Meunier

Pale gold in colour with a steady flow of fine and persistent bubbles.

Delicate yet complex, fresh and well-balanced with hints of citrus and white fruits.

Well defined, subtly rounded with expressive flavours.

"I only drink champagne when I'm happy and when I'm sad.

Sometimes I drink it when I'm alone.

When I have company I consider it obligatory. I trifle with it if I'm not in a hurry and drink it when I am; otherwise I never touch the stuff unless I am thirsty.

The Scots spell it whisky and the Irish spell it whiskey, with an extra 'e'. This difference in the spelling comes from the translations of the word from the Scottish and Irish Gaelic forms. Whiskey with the extra 'e' is also used when referring to American whiskies.
