Planning and delivering a wedding or special party is the work of many.

Producing the most beautiful, personal 'feels so right' wedding or special party is the work of many, working as one.

Let us introduce you to our tried and trusted team of suppliers who share Broadoaks' view that only absolutely terrific will do - and who know the house and grounds well.

This means they come up with some nice little flourishes that you may not have considered - ideas that come from understanding what works well at Broadoaks.

Skilled, careful, proper attention to detail and fun to work with - you can't ask for more.

They also have all of the requisite paperwork required to work with us which is one less thing for the to-do list.

So have a browse and gather some inspiration. They're all really rather excellent!

We welcome your other chosen suppliers of course, and are delighted to work with them. Just ask them to check they have everything we ask for in our contract. We'll need some important bits of paper; insurances and PAT certificates for electrical equipment for example, but all good suppliers will have these in hand.

If you need further information, or can't see a supplier for what you need, simply call our reception on **015394 45566**.

MICHAEL COATES - CLAY SHOOTING AND ARCHERY

E: info@michael-coates.co.uk
W: www.michael-coates.co.uk

Wedding Shoots are a great way to get everyone talking, whether the day before the big day to kick start the celebrations, day of the wedding to entertain guests before or during the wedding, or the day after to finish with a bang. Clay shooting is most definitely not just for the guys or confident shooters, over the years we have coached hundreds of people who have never shot before and have been apprehensive about shooting, with many taking it up afterwards as a hobby or competitive sport. With friends new and old, from two sides it's a great way to get the conversations flowing and for your wedding to remain in your guests' memories for a very long time. Check out our reviews on Trip Advisor to see some real customer feedback on our sessions.

Hen and Stag events.

We also run Hen and Stag dos. If you are looking for a non alcohol-fuelled element to the day then we could be perfect. We can provide a shoot tailored to your specific group and their requirements. Or combine a morning shooting with lunch and archery in the afternoon and you have an action packed day of activities. Corporate and team building events also provided.

E: fionainkendal@gmail.com
W: www.fionamusicinthelakes.com

I am so lucky to live in The Lakes and to play music for hundreds of couples on their special day, many at Broadoaks. I specialise in boutique weddings, those that require a special sparkle to involve and unite everyone, from 2 to 92, in making once in a lifetime memories. I am just a girl with a guitar (so if you want backing tracks, I am not for you) and my live repertoire is extensive, with over a thousand songs covering every genre from Eva to Metallica.

Each wedding is so very different, with the couple's personal music choices and preferences to make the day perfect, whether for the ceremony, drinks reception, wedding breakfast or evening reception.

I aim to bring a warmth and happiness to the day which my couples and their families and friends will remember forever. Many have remained friends and still come to find me at my events in The Lakes. That is the biggest compliment and recommendation I can offer. I'd love you to become part of our Broadoaks family. You can listen to my music on my Facebook page - Fiona Music In The Lakes.

M: 07762 758531
E: michael@weddingsbymichael.co.uk
W: www.weddingsbymichael.co.uk

We are Michael and Helen of Weddings by Michael and together we capture your memories. With more than thirty years experience, we still love the romance and excitement we see at every wedding and take great pride in capturing those emotions for our couples.

We love the challenge of difficult weather conditions, dimly lit venues and unusual settings, where our low light and creative lighting techniques allow us to capture unique atmospheric images. A rainy evening is a perfect example, and something we relish!

You never know where memories are made so the option for a second photographer ensures all those little things are recorded, the things you usually miss. From the kids running riot, to the favours that disappear within minutes. This is why we recommend having a 2nd photographer.

Feel free to contact us to arrange an informal and no obligation meeting at a time that suits you. We can visit you, you can come to us, or we can meet at a venue of your choice. This will give you the opportunity to discuss your requirements and ideas for your day and also view a selection of our albums. WeddingsByMichael_02
