# LOCAL SUPPLIERS

Planning and delivering a wedding or special party is the work of many.

Producing the most beautiful, personal 'feels so right' wedding or special party is the work of many, working as one.

Let us introduce you to our tried and trusted team of suppliers who share Broadoaks' view that only absolutely terrific will do - and who know the house and grounds well.

This means they come up with some nice little flourishes that you may not have considered - ideas that come from understanding what works well at Broadoaks.

Skilled, careful, proper attention to detail and fun to work with - you can't ask for more.

They also have all of the requisite paperwork required to work with us which is one less thing for the to-do list.

So have a browse and gather some inspiration. They're all really rather excellent!

We welcome your other chosen suppliers of course, and are delighted to work with them. Just ask them to check they have everything we ask for in our contract. We'll need some important bits of paper; insurances and PAT certificates for electrical equipment for example, but all good suppliers will have these in hand.

If you need further information, or can't see a supplier for what you need, simply call our reception on **015394 45566**.

E: michael@weddingsbymichael.co.uk  
W: www.weddingsbymichael.co.uk

We are Michael and Helen of Weddings by Michael and together we capture your memories. With more than thirty years experience, we still love the romance and excitement we see at every wedding and take great pride in capturing those emotions for our couples.

We love the challenge of difficult weather conditions, dimly lit venues and unusual settings, where our low light and creative lighting techniques allow us to capture unique atmospheric images. A rainy evening is a perfect example, and something we relish!

You never know where memories are made so the option for a second photographer ensures all those little things are recorded, the things you usually miss. From the kids running riot, to the favours that disappear within minutes. This is why we recommend having a 2nd photographer.

Feel free to contact us to arrange an informal and no obligation meeting at a time that suits you. We can visit you, you can come to us, or we can meet at a venue of your choice. This will give you the opportunity to discuss your requirements and ideas for your day and also view a selection of our albums. WeddingsByMichael\_02
